APPOINTMENTS

You can make an appointment by phoning **0117 950 3141**. See overleaf for details of our surgery hours. You can choose which dentist you would like to see depending on the appointments available. There is parking in front of the practice and also the lay-by to the right of the practice.

CANCELLATIONS

If you are unable to keep your appointment please let us know as soon as possible so that we can give the appointment to someone else. If you miss more than one appointment and give less than 24 hours notice, we may not be able to complete your treatment or offer you NHS care in the future.

URGENT TREATMENT AND OUT OF HOURS CARE

Urgent treatment means that which the dentist considers necessary to relieve severe pain or prevent your oral condition deteriorating before you can make a normal appointment. If you are in pain during surgery hours please telephone the practice and every effort will be made to see you as soon as possible. Should you have a dental emergency outside of the practice surgery hours please call the NHS Out of Hours Emergency Service on **0845 120 6680**. This is a service provided by the local PCT, which is responsible for commissioning dental services in this area. Alternatively you can contact NHS Direct on **0845 4647** or our Private Out of Hours Service on **0117 942 8937**.

DENTAL CARE

It is our practice policy to promote dental health at all times. Therefore we recommend regular check-ups. These will also help keep down the cost of your treatment.
